Self Introduction

I am the FIDE Chess Master, FIDE Chess Instructor and FIDE Chess Arbiter, who is recognised and accredited with The Federation of the World Chess Associations. For 17 years, I had created, developed and nurtured several school chess team players into successfully becoming Champions and top ranking school chess players in Hong Kong.

I represented Hong Kong many times in the World Women Chess Championships (Asian Zone) and World Chess Olympics from 1984 to 2005. For 17 years, I actively developed the Junior Chess Level in Hong Kong, and I frequently took young chess players to participate in international events, including the Children Chess Olympics. In addition, I am the Event Organizer of Hong Kong Juniors Chess Championships and Hong Kong Inter-School Team Chess Championships every year. I had also organized the Annual FIDE Rated Tournament named the "Hong Kong International Chess Championship".

I have spent more time to teach primary school students, and have more than ten years of teaching experience in primary schools. I am actively teaching chess classes at 3 English School Foundation primary schools (Glenealy School, Kennedy School and Bradbury School), German Swiss International School, Hong Kong International School, Lingnan Primary School, Pun U Association Wah Yan Primary School and St. Joseph's Primary School for current school year.
